

TWO NEW DIVINE POWERSPOT TRIPS FOR 2012

Namaste everyone,

We are thrilled to share with you two upcoming powerspot trips in February 2012 to benefit your overall spiritual and material evolution for the Golden Age in 2012. They are:

- (1) **THE DIVINE RELATIONSHIPS POWERSPOT TRIP (10 - 12 FEBRUARY 2012)**
- (2) **THE 6 SECRETS OF MURUGA POWERSPOT TRIP (12 TO 14 FEBRUARY 2012)**

The personification of Divine Love - RADHA & KRISHNA

THE DIVINE RELATIONSHIPS POWERSPOT TRIP

The **DIVINE RELATIONSHIPS POWERSPOT TRIP** is our most magical trip so far.

The inspiration for organising such a trip came from Mohini's beautiful testimonial how the Divine had a big hand in getting us together. Here is Mohini's story:

"I have always had a history of bad relationship karma!

About 3½ years ago, after a very traumatic break-up, I decided that only the Divine was going to choose my next partner, and not me. I prayed everyday in surrender to the Divine to bring a partner who would whole-heartedly serve in the Mission to bring in Heaven on Earth through the teachings of Dr. Pillai (Babaji), along with me.

In February 2008, I went to the **Thiruvidadanthai** temple to do a ritual to obtain a partner for a truly Divine relationship. Dr. Pillai (Babaji) had shared with us that you should only go to this temple if you are really serious about wanting a relationship, as this temple is the most powerful and will manifest a relationship in 6 months.

At that temple, **Vishnu** is in the form of a Boar, and He marries **Lakshmi** in a wedding ceremony **everyday** to bring the blessings of a marriage to the people who visit the temple and participate in the ritual.

I participated in the wedding ritual with all sincerity, made my prayers for the Divine to bring me a Divine relationship, and walked around the temple 9 times. We were told to save a flower from the garland given in the ritual, and to return to the temple after 6 months to give thanks for the blessing of the new relationship to come.

The following month (March 2008), Babaji sent me to Singapore to teach a weekend seminar. I decided to stay longer to build a community of like-minded people interested in totally transforming their lives.

During the first week of my stay, I was shown a vision by Saint Agastya that I was going to enter into a relationship with Vijay. He and I were working together in making plans to build the community. After the vision, I thought it could only be God's will if it happened, as this person was engaged to another woman, and we appeared to be total opposites.

The day after my vision, Vijay shared with me that his fiancée had suddenly broke up with him. I shared my consolation with him, and knew the Divine had created this turn of events.

Day by day, Vijay and I spent more time working together for the creation of the Singapore community, and exactly 6 months after I did the ritual at the **Thiruvidadhantai** temple, we magically entered into a Divine relationship. It somehow happened effortlessly, and the apparent differences in our cultures and personalities just merged into the similarities of 2 people entirely focused in bringing in Heaven on Earth. I felt as if I was watching a Divine play, where God was the orchestrator.

And then 9 months after the ritual (in November 2008), we travelled to India for a Divine marriage ceremony at a temple in Kerala.

Vijay is a partner who is 100% dedicated to the same goal as myself - to spread Babaji's teachings and bring Heaven on Earth - is truly a miracle that only God can create.

I did return to **Thiruvidadhantai** and give thanks, and **Vishnu** has been a guiding presence in my life every moment of every day. This temple creates relationship miracles, and it doesn't matter what your relationship karma has been."

For some time, Mohini and I had talked about bringing people to **Thiruvidadhantai Temple** to get a similar blessing for a divine relationship but nothing got off the ground.

However, recently, when we began looking to organising the trip in 2012, everything divinely fell into place and we decided to expand the focus of the trip to 3 types of Divine Relationships:

(a) "I want a divine spiritual companion / a marriage"

- visit powerspots and perform divine rituals to receive the blessing for a physical partner who will share your own spiritual aspirations and walk the spiritual path with you.

(b) "I want to strengthen my marriage, be blessed with marital bliss, and have a divine spiritual relationship with my spouse"

- visit powerspots and perform divine rituals to receive the blessings of the Divine in order to strengthen your marriage / bring in more bliss into the marriage / make your marriage a spiritual one so that you and your spouse can share the same spiritual goals and ideals

Mohini in Kerala (2008)

(c) "I want to have a divine relationship with a God/Goddess"

- this is the highest form of a divine relationship
- All you seek is to be with the Divine, be it the various manifestations of the divine (both male and female) such as **Shiva, Muruga, Krishna, Vishnu, Lakshmi, Kali, Durga, Radha, Saraswati, Parvathi.**
- Longing to be in a divine relationship with a God or Goddess is how most of the saints in India achieved ascension and merged with God. For example, Babaji was Swami Ramalingam in His previous incarnation. Swami Ramalingam is regarded as one of the greatest modern day saints of India who ascended into Light in 1874. Swami Ramalingam constantly longed for union with Shiva and would write divine poetry, seeing himself as a woman in love with Shiva.

For the **DIVINE RELATIONSHIPS POWERSPOT TRIP**, we will be visiting the most powerful powerspots in Tamil Nadu in order to give you the blessings for a

- (a) physical divine relationship / marriage;
- (b) a stronger more spiritual marriage, or
- (c) a divine relationship with a god or goddess.

What is a Powerspot & Why Do We Visit Powerspots?

A powerspot is an energy vortex that has existed for thousands of years through the grace of the Divine. A powerspot contains the energy associated with a divine being. A certain location can also become a powerspot because a saint/yogi spent extended periods of time meditating there or was buried there.

In India, there are specific powerspots that can give you access to divine spiritual energies for enlightenment, karma busting, money, health, peace, relationships and so on. For example, if you want to access the energies for wealth and abundance, you would visit powerspots associated with Goddess Lakshmi.

As Babaji recently pointed out during His recent Radha Krishna powerspot trip, you may not know on a **conscious** level what is taking place, and physically, you may be feeling hot and tired when you visit the powerspot. However, at your **soul** level, your soul is perfectly able to connect with the powerspot and absorb the divine energies and blessings of the powerspot for its own soul evolution.

A Very Important Criterion To Manifest Your Own Divine Relationship

We would like to stress that it is very important to be **sincere, have 100% commitment and faith** when seeking to attract your own divine relationship.

You **must really desire with all your heart a divine relationship**, either a physical, marital or a relationship with God. And also have the **faith** that the Divine will bless you with a divine relationship.

Here is a quick highlight of the powerspots we will be visiting:

Blessings to manifest a spiritual partner

1. Thiruvидanthai Temple (Chennai)

The most potent powerspot to obtain the blessings of Vishnu for a physical partner. (See *Mohini's testimonial*)

Thiruvидanthai Temple

2. Ekambareswarar Temple

This is a very special temple for **two** reasons:

- (i) First, it is where Goddess Parvati married Lord Shiva in mythical times under a mango tree and therefore this temple gives marriages to those who seek one. Incidentally, a mango tree still stands at the shrine where Parvati married Shiva and is said to be **3,500** years old!
- (ii) Second, Ekambareswarar Temple is also regarded as **one of the 5 powerspots for Lord Shiva** in India. Here, Lord Shiva exists in the form of the element **NA** (from the mantra NA MA SHI VA YA). The **NA** power sounds symbolises the Earth element. When you access and master the power of **NA**, you acquire the power of the earth and all its material abundance (since gold and precious stones come from the earth)

Ekambareswarar Temple: Pictured here is the 3,500 year old mango tree which stands next to the shrine where Parvati married Shiva!

Blessings for a strong and spiritual marriage

3. Thirusakthi Temple (Pateeswaram)

- A powerspot to strengthen your relationship with your partner
- For marital bliss & harmony and to develop a spiritual relationship with your spouse

Parvati is portrayed as hugging the Shiva Linga at Thirusakthi Temple

Blessings for a relationship with the Divine

4. Srivalliputtur Andal Temple (Madurai)

- According to Babaji, this is a very rare temple as it is the birthplace of **Andal**, a girl who was the human incarnation of Goddess Lakshmi
- Andal had only one desire and that was to marry the divine being **Vishnu**
- Andal's love for God was so strong that Vishnu accepted her prayers and accepted her as His bride

Andal as an infant

In addition to the specific temples above, as a general purpose remedy, we will be visiting two planetary powerspots to remove any obstacles in manifesting your divine relationship:

5. 9-Planet (Surinayar) Temple

- the planets are the agents of your karma. If you are not enjoying good relationships in your life (for example, not meeting the right partner, or not getting along with your spouse), it could be that you may be going through planets which are not favourable for relationships.
- the **9-Temple** is the only temple of its kind which has separate shrines to all the 9 celestial planets. At this temple, you can perform remedies to reduce the negative effect of planets which are not giving you a favourable relationship.

9-Planet Temple

*** *as each of us have different planetary charts, before the trip, all attendees would be taught how to access their good and bad planets charts on Astroved.com so that when you visit the 9-Planet Temple, you would know which planets you would need to perform a remedy for.*

6. Venus (Kanjanoor) Temple

- This temple is dedicated solely to **Venus**, the planet that gives relationships, material comfort, long life, happiness and beauty.
- At this temple, you would perform rituals and remedies to strengthen your Venus planet, especially if you know that planet **Venus** is currently not favourable for you.

THE 6 SECRETS OF MURUGA POWERSPOT TRIP

The **6 SECRETS OF MURUGA POWERSPOT TRIP** takes you on a never-before adventure to six of the greatest powerspots in South India associated with the divine archetype **MURUGA!** This will be our most ambitious powerspot trip yet as we will be covering a distance of no less than **1,200 km in 3 days** to visit all 6 Muruga powerspots!

Our objective is simple - we want to help you absorb **MURUGA's** divine consciousness in order for you to progress to the next step **beyond enlightenment** i.e. the evolution of the human body into Light!

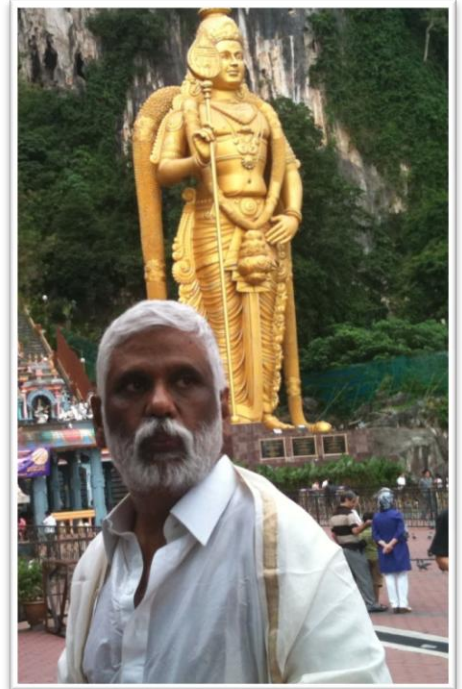

Who is MURUGA?

According to traditional divine mythology, **MURUGA** is the son of Shiva. **MURUGA** is the divine warrior being that wages a war against negative forces (such as debt, disease and negative karma) that cause suffering on the earth plane. **MURUGA's** mantra is **SARAVANABAVA**. He also holds the secret of **OM. RED** is the colour for **MURUGA**.

MURUGA is usually depicted with a **Vel**, a kind of lance or spear, in his hand. The Vel is a powerful weapon to destroy negativity and bad karma. Concentrating on the Vel will give you divine intelligence. The Vel is both an internal and external weapon.

Internally, the Vel is actually Goddess Parvati Herself and the vel represents the *kundalini* force raising from the root chakra and going to the third eye chakra and resulting in the awakening of the third eye and the destruction of ignorance. **Externally**, the Vel is the mightiest psychic weapon, capable of destroying the most powerful negative forces.

The **6 SECRETS OF MURUGA POWERSPOT TRIP** is for those of you who want to wash away your negative financial karma and attract money and abundant opportunities, to receive blessings for a beautiful relationship and learn the secrets of the Vel for manifestation.

How Can You Benefit From MURUGA?

When you visit **MURUGA's** 6 battle-houses (powerspots), you are on a **conscious** and **unconscious** (soul) level accessing **MURUGA's** energies for:

- (1) dissolving debt, disease and negativity
- (2) divine wisdom and intelligence
- (3) power and courage
- (4) the ability to manifest your desires
- (5) attraction and charisma
- (6) peace for the soul and clarity of thought

Here is what each of **MURUGA's** 6 battle-houses (**powerspots**) will give you:

Location of Powerspot	Mythological Significance	What Powers You Acquire
SWAMIMALAI	Where Muruga taught the secret of OM to his father Lord Shiva	Divine Wisdom and Intelligence
PAZHAMUDIRCHOLAI	Muruga's weapon, the VEL is regarded as the most powerful VEL here.	Power and Courage
PALANI ANDAVAR SWAMI	Muruga spent time to reflect on the mango contest he lost to his brother Ganesha	For Self Realization
THIRUCHENDUR	Where demon Suranadma was vanquished	For External and Internal Control for Right Actions and Thoughts
THIRUPARANKUNDRAM	Where Muruga got married	For Attraction and Charisma
THIRUTHANI	Where Muruga attained peace	For Soul Serenity and Mental Peace

But wait, here is an advanced understanding of what **MURUGA** will bestow...

MURUGA WILL GIVE YOU THE LIGHT BODY!

Dr Pillai (Babaji) has, in recent times, been revealing the more esoteric and advance teachings associated with **MURUGA** that will give you the key to acquiring a Light Body!

Watch Dr Pillai share esoteric secrets of Muruga.

Open Your 3rd Eye

MURUGA is the god of wisdom which is the 3rd eye. **MURUGA** is therefore the aspect of the divine in charge of the 3rd eye. When you work with **MURUGA** and connect with him, you will be opening your 3rd eye and awakening yourself to a new consciousness

MURUGA Gives You A Light Body

The Western Perspective:

The western perspective of **MURUGA** is that he is the god of the **Pleiades** (which is a star cluster in the constellation of Taurus.)

For the last few years, as a lead-up to **2012**, channelled sources (for example, the most well-known being Barbara Marciniak who wrote “**Bringers of the Dawn**”) have revealed that the **Pleadians**, a group of enlightened beings, have been sending down photon light rays to the earth plane to help us evolve beyond our limited thinking. This phenomena has in part has been validated by modern day science.

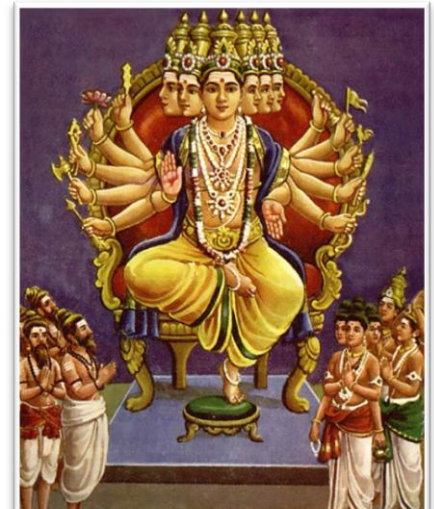

The end goal for the Pleidians is to help humanity awaken from their limited consciousness and evolve from a flesh and blood-based consciousness (and way of thinking and functioning) to a more divine form of consciousness which is Pure Light.

The Siddha Perspective:

MURUGA is often portrayed with 6 heads. What is the real meaning behind this?

According to Babaji, **MURUGA's** 6 heads represent the 6 different parts of the brain and how they are related to the 6 chakras within your body.

The 6 MURUGAN powerspots we will be visiting also represent the 6 heads of MURUGA. When you visit these 6 powerspots, you are **awakening the 6 chakras in your body and the 6 parts of your brain** for your own spiritual and material evolution to turn the body into Light.

Muruga symbolically represented with 6 Heads

WHY ARE BOTH POWERSPOT TRIPS ORGANISED BACK-TO-BACK?

Both powerspots trips are special for us because both of them will help you transform your destiny for the Golden Age in 2012. However, with the new India visa requirements (*which only permit you to return to India after two months from your last departure date*), if we organised only 1 trip at a time, we would only be able to run the second powerspot trip two months after the end of the 1st trip i.e. sometime in April 2012. However, by then, it would not be feasible to return to India because the weather in April in India can be unbearably hot.

We therefore decided to have the **DIVINE RELATIONSHIPS POWERSPOT TRIP** run back-to-back with the **6 SECRETS OF MURUGA POWERSPOT TRIP** to allow those of you who want to join both trips to by-pass the Indian visa regulations.

With both trips being back-to-back, you would be able to maximise your time in India, and **also save on the cost of a second air ticket!**

DISCOUNTED TRIP FEE

Here is some good news:

If you join us for both the **DIVINE RELATIONSHIPS POWERSPOT TRIP** (10-12 February 2012) (2 days) and the **6 SECRETS OF MURUGA POWERSPOT TRIP** (12 to 14 February 2012) (3 days), you get a discount of **S\$200** off the total trip price of i.e. you pay **S\$1600** for both trips.
